

We are seeking community feedback on the HTP preliminary corridor. To inform the design of the HTP and final corridor, you are invited to make a submission so we can understand more about the potential impacts and benefits of the project.

### How information will be used

We'll use your feedback to:

- refine the design of the HTP and inform the final corridor
- identify matters requiring further investigations, surveys or studies minimise the project impacts on people and the environment maximise the project benefits for the Hunter community
- improve our community engagement on the project.

**Submissions are open until 18 December 2023.** Please add as many pages as needed.

Please note your responses are voluntary and the confidentiality of the information you provide will be handled in accordance with the Privacy Act.
