

Survey work on the New England Highway at Kingswood and Nemingha from Monday 19 August

August 2024

EnergyCo is carrying out survey work on the New England Highway to inform our planning for the New England Renewable Energy Zone (REZ).

What are we doing?

We will carry out survey work in the road reserve along the New England Highway using handheld survey tools, mounted tripods and light vehicles. This work is necessary to inform our environmental assessment and design for the New England REZ network infrastructure project.

Work locations include:

- New England Highway and Whitehouse Lane intersection at Kingswood
- New England Highway and Nundle Road intersection at Nemingha.

Maps of the work locations are provided overleaf.

Work hours and timing

We will be working from **Monday 19 August** between **7am and 5pm, Monday to Friday**. We expect to complete the work in five days, subject to weather and site conditions.

What will this mean for you?

Traffic control, reduced speed limits and temporary shoulder closures will be in place for the safety of pedestrians, workers and motorists.

Please keep to the speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can download the **Live Traffic NSW** app, visit livetraffic.com or call **132 701**.

Managing our impacts

We aim to manage our work to minimise impacts to the community and the environment. Noise from these activities is expected to be minimal. Access to properties will be maintained at all times.

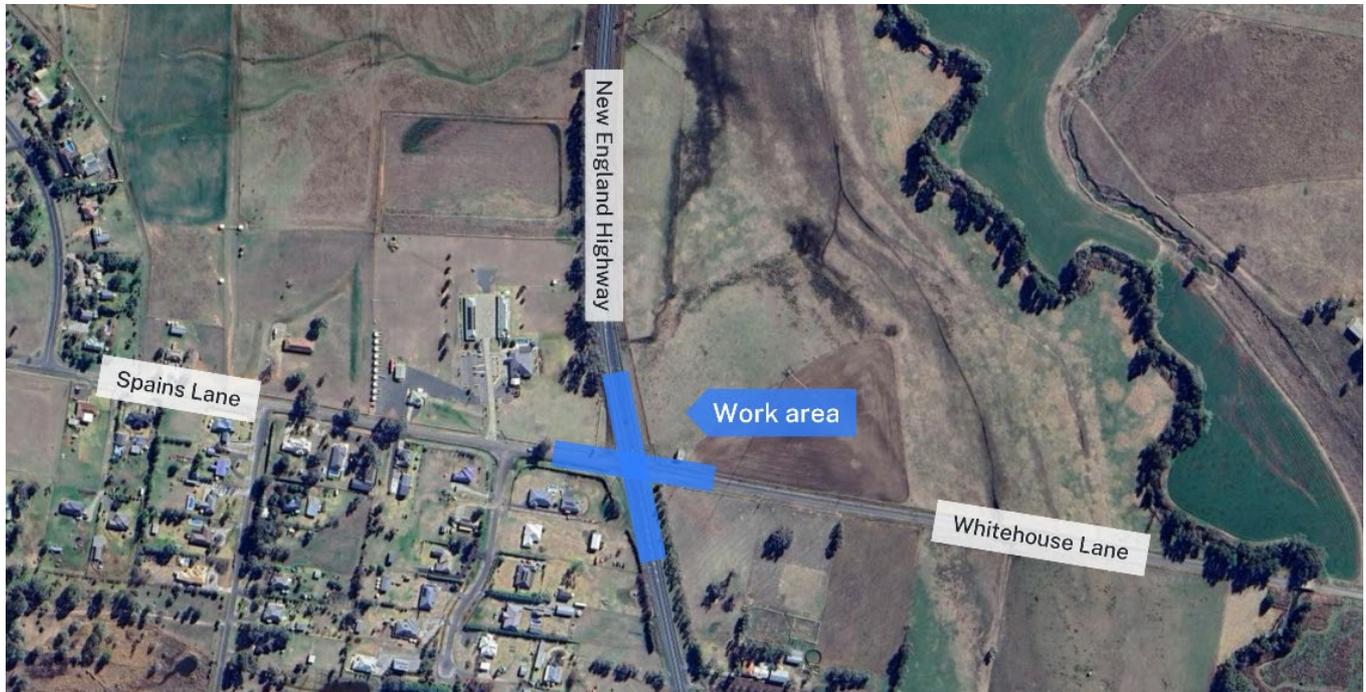

Contact us

For more information, you can get in touch with our team by calling **1800 061 114** (9am to 5pm, Monday to Friday) or by emailing nerez@energyco.nsw.gov.au. You can read more about the New England REZ by visiting energyco.nsw.gov.au/au/ne.

If you need help understanding this information, please contact the Translating and Interpreting Service on **131 450** and ask them to call us on **1800 061 114**.
