

Government Gazette

of the State of

New South Wales

Number 569–Electricity and Water

Friday, 5 November 2021

The New South Wales Government Gazette is the permanent public record of official NSW Government notices. It also contains local council, non-government and other notices.

Each notice in the Government Gazette has a unique reference number that appears in parentheses at the end of the notice and can be used as a reference for that notice (for example, (n2019-14)).

The Gazette is compiled by the Parliamentary Counsel's Office and published on the NSW legislation website (www.legislation.nsw.gov.au) under the authority of the NSW Government. The website contains a permanent archive of past Gazettes.

To submit a notice for gazettal, see the Gazette page.

RENEWABLE ENERGY ZONE (CENTRAL-WEST ORANA) ORDER 2021

Under the

Electricity Infrastructure Investment Act 2020

I, Matthew Kean MP, Minister for Energy and Environment, make the following Order under section 19(1) of the Act.

Dated this 28th day of October 2021

Matthew Kean MP

Minister for Energy and Environment

RENEWABLE ENERGY ZONE (CENTRAL-WEST ORANA) ORDER 2021

1. Name of Order

This Order is the *Renewable Energy Zone (Central-West Orana) Order 2021*.

2. Commencement Date

This Order commences on the date that it is published in the Gazette.

3. Definitions

Unless otherwise defined in this Order, words and phrases defined in the Act have the same meaning in this Order.

Act means the *Electricity Infrastructure Investment Act 2020*.

specified geographical area means the land identified as the 'Central-West Orana Renewable Energy Zone Geographical Area' in Schedule 1 of this Order.

4. Declaration of the Central-West Orana renewable energy zone

The Central-West Orana renewable energy zone is hereby declared and comprises:

- (a) the specified geographical area; and
- (b) the network infrastructure specified in Schedule 2 of this Order.

5. Intended network capacity for the network infrastructure in the renewable energy zone

The intended network capacity for network infrastructure in the Central-West Orana renewable energy zone is 3 gigawatts.

6. Central-West Orana renewable energy zone infrastructure planner

The Minister appoints the Energy Corporation as infrastructure planner for the Central-West Orana renewable energy zone upon commencement of this Order.

Schedule 1

1. Specified geographical area

The specified geographical area is the land identified as 'Central-West Orana Renewable Energy Zone Geographical Area' in Figure 1.

Figure 1: Map identifying the 'Central-West Orana Renewable Energy Zone Geographical Area'

Schedule 2

1. Specified network infrastructure

The following network infrastructure is specified:

- (a) Planned, new and existing network infrastructure in the specified geographical area.
- (b) To the extent not specified in clause 1(a) of this Schedule 2, planned and new network infrastructure operating at nominal voltages of 330kV or 500kV connecting:
 - (1) the existing network infrastructure operating at nominal voltages of 500kV connecting Bayswater 500kV substation, Wollar 500 kV substation and Mt Piper 500kV substation;
and
 - (2) the existing network infrastructure operating at nominal voltages of 330kV connecting Wollar 500kV substation and Wellington 330kV substation.
- (c) Planned and new augmentations to the existing Wollar 500kV substation.
- (d) To the extent not specified in clause 1(a) of this Schedule 2, existing network infrastructure operating at nominal voltages of 330kV connecting Wollar 500kV substation and Wellington 330kV substation.

Notification Area *Umberumberka Dam* Amendment Order 2021

under the

Dams Safety Act 2015 and the Interpretation Act 1987

I, Chris Salkovic, by delegation under section 13 of the *Dams Safety Act 2015*, make the following Order pursuant to section 48(1) of the *Dams Safety Act 2015* and section 43 of the *Interpretation Act 1987*.

Dated 1 November 2021

Chris Salkovic

CEO Dams Safety NSW

Dams Safety NSW
by delegation

BN21/5806

Explanatory note

The object of this Order is to amend the *Umberumberka Dam* Notification Area as described in Schedule 1 of this Order.

Notification Area *Umberumberka Dam* Amendment Order 2021

under the

Dams Safety Act 2015 and the Interpretation Act 1987

1 Name of Order

This Order is *the Umberumberka Dam Amendment Order 2021*.

2 Commencement

This Order commences on the day it is published in the Gazette.

3 Duration

This Order will remain in force until it is revoked.

4 Amendment of *Umberumberka Dam* Notification Area

This Order amends the *Umberumberka Dam* Notification Area declared by the *Umberumberka Dam* Order 20 May 2016 as described in Schedule 1.

SCHEDULE 1

The amended *Umberumberka Dam* Notification Area is the area bounded by straight lines joining the following 4 ordered points on map *BROKEN HILL 7134 1:100000*. The ordered points are specified by Map Grid of Australia 1994 co-ordinates in Zone 54.

<i>Point</i>	<i>MGAEast</i>	<i>MGANorth</i>
